Associate Director, Mining  
Division of Oil, Gas and Mining  
1594 West North Temple  
Suite 1210  
Salt Lake City, UT 84116

Dear Ms. Dean:

The Manti-La Sal National Forest has reviewed and determined that the posted amount of \$1,013,000.00 guaranteed by Sunroc Corporation (Sunroc) is sufficient to meet the anticipated reclamation requirements on National Forest System lands. The reclamation cost estimate is based upon Sunroc complying with all applicable operating and reclamation requirements.

Sincerely,

for ALLEN ROWLEY  
Acting Forest Supervisor
